

2016 Criminal Justice Information Users Conference

September 27-28, 2016 – St. Cloud, MN

Schedule

Our team of trainers, product managers and other experts will offer informative plenary sessions plus a wide range of breakout sessions on our newest integration services, best practices, upcoming technology and more. It will be a full two days of learning, networking and getting your questions answered!

A brief description of each of the plenary presentations and breakout sessions is provided below. You will not need to decide which sessions you'll attend until the day of the conference, but hopefully, this will give you a preview of all that is being offered and help you understand the breadth of information you will get if you join us in September.
